

Ireland is in crisis, and snowed under with opinions on what went wrong, and who is to blame. *Here's How*

focuses on the solutions, using lateral thinking and challenging concepts.

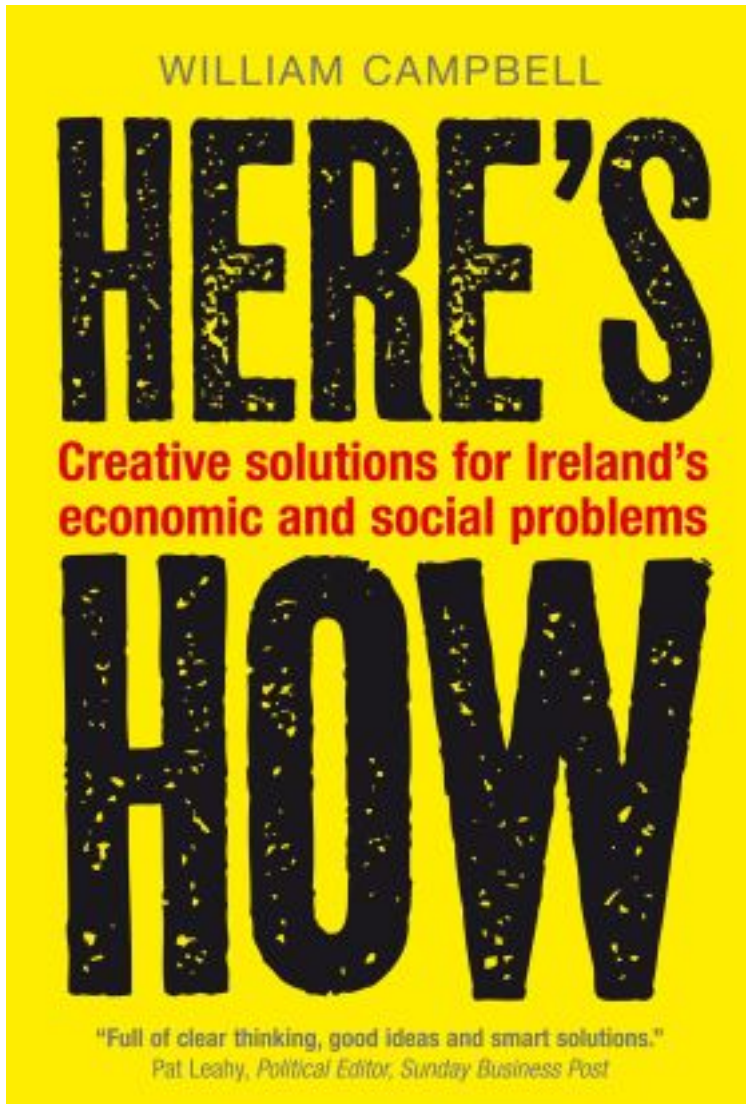

Here's How, Creative Solutions for Ireland's Economic and Social Problems

by William Campbell is published by Brandon Books, and is available in bookshops and [online here](#)

.

The podcast of Here's How, discussing Ireland's social, political and current affairs is [available for download now here](#)
